

Expansion of European Supply Operations

Dycem Europe Announcement – Expansion of Operations and Supplier Details Update

I am pleased to inform you that the Dycem Group has gradually been building up a European infrastructure to seamlessly support your Contamination Control Solutions and Services requirements within Europe.

We are proud to announce that our European subsidiary, Dycem Europe GmbH's operations have been expanded and a dedicated warehousing facility has been established in Rastatt, Germany to support your requirements across Europe.

As from 1st January 2021, purchase orders should be placed with Dycem Europe GmbH in line with quotations. We would appreciate if you could communicate these changes across your organisation to ensure a smooth transition to Dycem Europe GmbH.

If you have any questions relation to these changes, then please contact your Dycem Sales Representative, or contact our customer services team on:

EU@dycem.com / UK@dycem.com +49 (0) 69 50804430 /+44 (0) 117 9559 921

We look forward to continuing to support your business with our new European model.

Thank you for your continued support.

Yours Faithfully

Stewart Cantley
CEO
Dycem Group
